

Group and Event Transportation

BusBank[®]

The *easy way* to charter a bus[®]
– *Anywhere* in North America.

Who We Are

The BusBank® : a comprehensive group and event Transportation management company headquartered in Chicago, incorporated in December 2000. We are the industry's pioneer and leader in providing a single-source for chartering a bus at anytime and anywhere in North America.

Our experience serving customers are broad and diverse; we arrange charters for thousands of customers each year. The scope of our service ranges from simple one-day outings to large events, such as music festival, conventions, sporting events, and complex multi-location movements. We also provide detailed advanced planning and on-site management in addition to logistics support.

At the close of 2010, BusBank was acquired by Lancer Insurance Group, the largest provider of motor coach insurance in North America.

This relationship gives us insight to safety trends and driving performance unavailable to our competitors. Through our strong relationships with our operators, and the support of our parent company, BusBank is able to match you and your customers with the newest, safest equipment on the road.
